BEAUMONT CUBS ATHLETICS:

Each year, El Marine Primary learners are invited to participate in the Beaumont Cubs Athletics Event. This prestigious event sees numerous prominent schools from across Cape Town come together to showcase their athletic talent. This year, two of our learners have distinguished themselves through exceptional performance. We extend our heartfelt congratulations to Jayce and Zoë. Their remarkable achievements are a testament to the talent that clearly runs in the family.

Jayce and Zoë both placed 2nd in the 60m race.

Jayce placed 1st in the 80m race.

Zoë placed 3rd in the 80m race.

Proud of You

EXTRA-MURAL ACTIVITIES:

Every week, our boys and girls who have signed up for extra-mural activities are treated to exciting sessions of Shift Netball, Wicket Cricket, or Rugger Roots. To celebrate the end of the term, all participants received a small gift as a token of appreciation. We are incredibly proud of each and every one of you. Parents who have not yet signed up their children are still more than welcome to join these enriching activities.

GOLF DAY 2025:

On 5th September 2025, we will be hosting our annual Golf Day at Somerset West Golf Club! This is one of our biggest fundraisers of the year, and it's always a huge success. The funds we raise during this special day go directly towards improving the school and enhancing our teaching environment, benefitting all of our learners.

We are hereby kindly inviting you to enter a team and join us for this fantastic event. If golf isn't your thing, we would be incredibly grateful for any kind of sponsorship. Your support truly means the world to us, and we can't wait to see you there!

Thank you for helping to make a difference at our school!
