9 February 2024

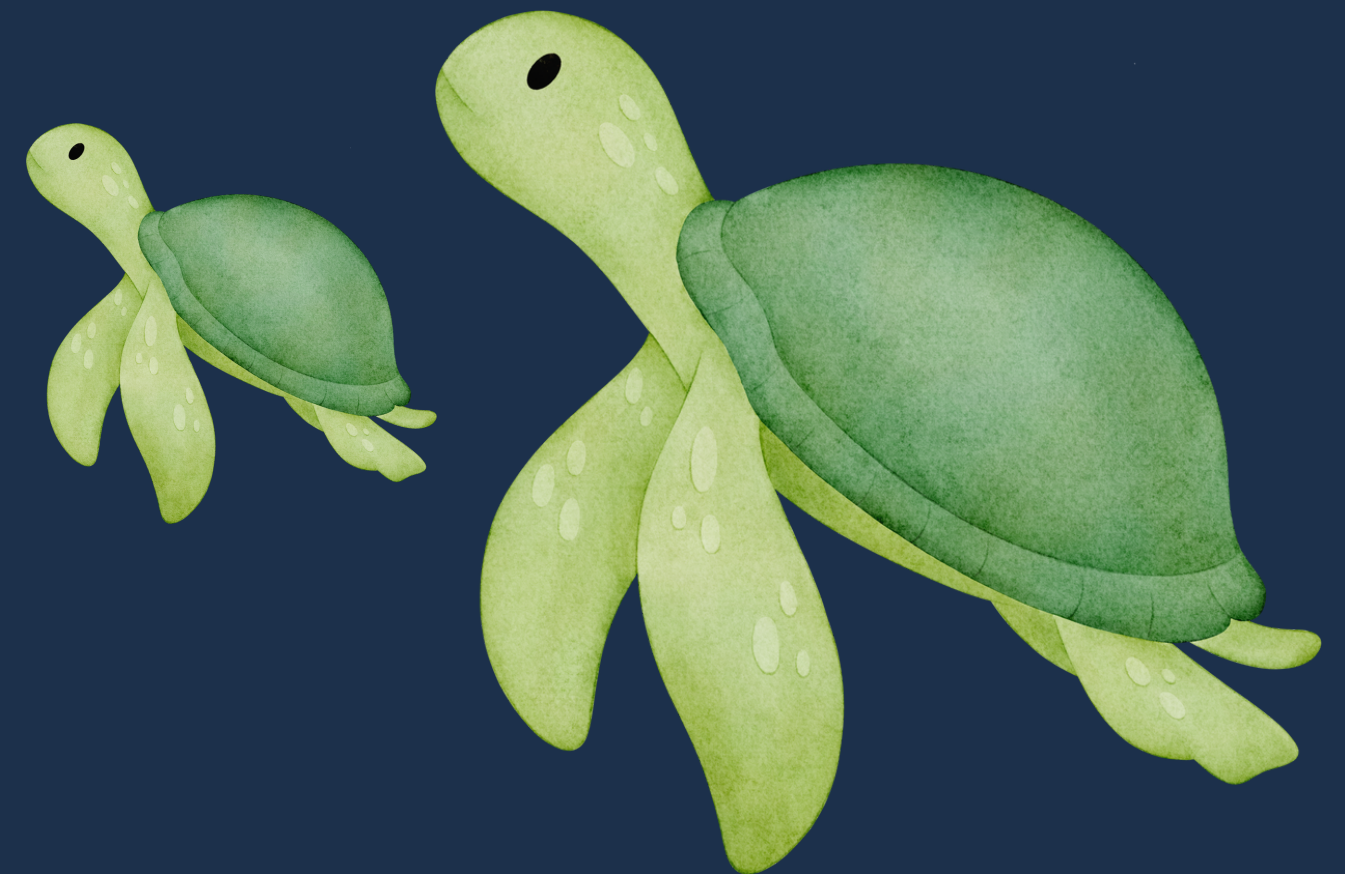

## APPRECIATION POST:

Elmies is incredibly grateful for each and every parent, sibling, friend and relative who have shown their support during last week's events.

Our pavilions were packed with supporters! We have received plenty of compliments from our opponents about the interest, love and support of our parents.

We couldn't have done it without you.

## APPRECIATION POST:

Last week was all about YOU, our beautiful learners, and wow! What a great job you have done. We are incredibly proud of your participation and spirit during last week's events. Thank you for excellent behavior and your neat appearance. Our opponents were impressed with your good manners and pride for your school.
