I look forward to exploring new topics together. My goal is to create a supportive and exciting classroom where every student feels valued and inspired to learn. • Hot Cocola

He was a South African anti-apartheid revolutionary, politician, and philanthropist who became the country's first Black president in 1994. He is widely regarded as a global icon of peace, reconciliation, and human rights. Born in 1918, he dedicated his life to fighting against racial segregation and inequality, spending 27 years in prison for his activism. Upon his release in 1990, he played a key role in South Africa's peaceful transition to a democratic, non-racial society.

TO MORE MEMORIES, MORE LAUGHTER, AND MORE LIFE—TOGETHER.

UPDATING OUR SCHOOL GROUNDS

We apologise for the mess and chaos during this time but it is nesseccary

Our netball court has been improved and fixed with fresh lines and poles as well.

We have moved the garage and play area to expand our field for more friendships to blossom on

We cannot think of a better way than building and making new friendships than a round of golf.

Join us for a fun filled day on 5 Sept 2025 for a 4 ball @R3200.

GOLF DAY

One does not need to play golf to get involved. We are also looking for sponsors to spoil our players with...

CELEBRATING SUCCESS

Some of our incredible learners in the Senior Phase have already earned their Gold Badges, and we couldn't be prouder! To honor their hard work, dedication, and commitment, we are proudly displaying their achievements in the corridor by the hall for everyone to see.

This display not only celebrates those who've already received their badges, but also encourages and recognizes those who are well on their way. We are bursting with pride for our learners—your efforts do not go unnoticed. Keep striving, keep shining!
