Our school name is of Spanish origin and it means The Sea.

**About the logo:**

The shell represents the fishing industry of our area and indicates strength courage and endurance. The blue indicates safety and the shell is the protection of the pearl that represents what we aspire our learners to become.

**Our slogan:**

***With Diligence Comes Excellence***

***Maximum Opportunity Through Optimal Education.***

By this vision we mean that each child should have every opportunity to reach his/her full potential through outstanding education.

Our mission is to provide children of all ethnic groups with educational, spiritual, environmental and social opportunities in a safe, educational, homely, Christian environment, which will enable them to develop independence, self confidence, a love for learning and an awareness of the great gifts God has given them.

**We will do this by:**

1. appointing staff with both the right heart and the appropriate qualifications.
2. attracting parents who appreciate and identify the right values and are able to pay the school fees diligently each month.
3. adhering at all times to the academic, caring and spiritual standards of excellence that characterizes our school.
4. supporting parents and teachers to solve problems directly and immediately.
5. encouraging open and honest communication.

El Marine Primary is registered with the Western Cape Education Department (WCED) as an independent school. We comply with the requirements of the National Curriculum (CAPS). The WCED's policy of Education will therefore be followed.

1. El Marine Primary is a single-medium school and instruction will take place in English.
2. Afrikaans is a compulsory first additional language.
3. Learners from the areas of Strand and Gordon's Bay will have preference at the school.
4. Clients with a poor payment record at previous schools will not be considered for admission.
5. We expect that parents meet their financial obligations towards the school.

We are not subsidized by the government so we have to meet all our own obligations. **Payments are required to be made on the 1<sup>st</sup> of every month.**

6. Learners will be required to adhere to the school's code of conduct at all times. The right of admission is reserved and the necessary steps will be followed when learners are in breach of the code of conduct (see the Code of Conduct for more details).
7. The school, as the most fundamental entity will be of a Christian character whereby all instruction and education will take place. Bible Education will be a part of the daily program. It will however be the parent's prerogative whether your child should be exposed to it or not.

1. **Before the start of the year enrolments:** The enrolment forms (pages 11 - 17 of this prospectus) must be completed and handed in or emailed before the **end of August**.

**During the year enrolments:** The enrolment forms (pages 11 - 17 of this prospectus) must be completed and handed in or emailed by a date that will be communicated by the office.

**2.7.5 Asylum Seekers and Refugees - They need to submit their Formal Recognition of Refugee/Asylum Status as students may only attend school within the dates issued on the document.**

(New immigration regulations were implemented in 2014 and this drastically increased the responsibility on learning institutions to ensure that all foreign students have the necessary documentation.)

3. An invitation with a date will be sent to parents where an assessment with the prospective pupil will be conducted.
4. Parents will be invited to an interview where more information will be given and questions and concerns will be responded to. All applicants will be notified of the schools decision regarding acceptance.
