

THE PEARL POST

23 JUNE 2025

In honour of International Asteroid Day

# OUR DAILY ORBIT RUNS SMOOTHLY THANKS TO THEM #DOMESTICWORKERSWEEK

This Domestic Workers Week, we send a galactic thank you to the shining stars of our school — our incredible domestic workers. You keep our school orbiting smoothly with your tireless effort, warm hearts, and constant care.

You are truly the gravity that holds us together!

To the amazing parents who generously donated towards the special gift for our workers — thank you for helping us show just how much they are valued.

Your kindness helped us launch a celebration that was truly stellar!

From all of us here at El Marine Primary, thank you for helping us honour the heroes who keep our school clean, cared for, and full of light.

# FAREWELL TEACHER AIMEE

As we say goodbye to Teacher Aimee, we reflect on the incredible impact she has made at El Marine Primary. More than a teacher, she has been a mentor, a guide, and a source of inspiration for both students and staff.

From engaging lessons to encouraging words, Teacher Aimee has left a lasting mark on our hearts. While we're sad to see her go, we're excited for what lies ahead and deeply grateful for the time we've shared.

Like a blazing asteroid lighting up our galaxy, you've left a brilliant trail in our lives. Farewell, Teacher Aimee — your impact will keep orbiting our hearts forever.

Thank you, Teacher Aimee. You'll always be part of the Elmies family.

# GUESS THE TEACHER. . .

There will be a winner in the junior and senior phase for the first person to guess correctly on Tuesday morning.

This star has truly lit up our school galaxy! Known for her out-of-this-world classroom, her theme is space — but one color always shines brightest in her orbit: purple! ♥ She's got a stellar passion for netball, and thanks to her dedication, our school's sports scene has skyrocketed over the years. 🏐 ✨

In this edition of the Pearl Post, our theme is asteroids, which is quite fitting — because just like an asteroid, she's made a powerful impact! Sadly, we'll be launching her into a new adventure as she leaves us at the end of the term... but her legacy will keep orbiting our school for years to come.
